## ICAO Aviation English Proficiency Tests

- The Belgian Civil Aviation Authorities have officially recognised **Aerocollege.eu** as English Proficiency test center !
- The Test evaluates language proficiency in the six proficiency criteria over computers using the Ordinate's automated system (for the six ICAO levels): Pronunciation, Structure, Vocabulary, Fluency, Comprehension and Interactions
- Testing is possible at the **Belgian Flight School's** training facility, Charleroi Airport building S7, every Thursday and Saturday from 9.00 till 17.00
- The test consists of a 15 minutes practice test, to learn how the test works followed by a 30 min. official certification test.
- After successful completion, you immediately get an official Civil Aviation Certificate. With this certificate you can then go to your Civil Aviation Authority to have your license endorsed.
